Objectives For New Programming

Year Round

Provide additional year round opportunities for recreation players to enjoy the core aspects (Social, Fun, Play, Community) of recreation soccer whilst exposing children to more organized soccer environments.

Inclusive

Provide all levels of players with opportunities to develop skill set with organized and level appropriate training.

Where it all begins

All adult players in professional, college, high school, and adult leagues started in recreation soccer. We want to expand our focus and reach to grow the love of Soccer for all players at VSA and beyond.
